C.I. Says, "Thank You," Dr. Kato

It is not usual that a year-book be dedicated to someone other than a teacher, administrator, or even a student, but this year we have recognized Dr. Tsujio Kato. Do you know that as Mayor, he changed the street name from Boise Way to the present Raiders Way? When this school was built CI did not have a stage as we do now. It was none other than Dr. Kato who helped in getting materials donated to build a stage for our school. Now, a new training facility is going to be built at Channel Islands. Some of you might know it as the L.A. Raiders Old Training facility. Now who do you think was behind bringing this to our school? You guessed it, Dr. Tsujio Kato. Because of his efforts the district agreed to assist in the purchase and relocation of this facility. It is scheduled to be completed by next semester. The facility is 5500 sq. ft. with showers, lockers, a big wrestling area, rooms to review films, and will provide more room for the P.E. classes than the old locker rooms. This will benefit the athletes as well as the student body. This man has done so much for our school. To him, we say, "Thank-you," and, "we love you," for all that you have done for us and our school.

Pride Day

Saturday, September 20th was the day over 200 spirited students attended the 3rd annual CI Pride Day. Scott Matuitia provided the eager painters with the up-to-date music. People were painting to the beat while thinking of the juicy Raiderburgers and hot dogs being cooked. They came with paint brushes in hand, old clothes on, ready to paint. Trashcans, benches, and the bleachers were painted blue and gold. However, there wasn't anything that was left more painted than the people who participated!

Fun Without The Sun

On October 1, a not so sunny day, CI put on its annual Mardi Gras. The organizations had a variety of selections to choose from. There was the Drill Team's delicious cotton candy, the Spanish Club's exceptional tostadas, and we can't leave out the Band's famous Sweepstakes Burgers. People ate as they listened to music provided by our own Vital Sounds. This years Mardi Gras turned out to be a great success. Everyone had fun without the sun!

Back To School NIGHT

Parents Night Out

Approximately 3000 parents and students attended the Back-to-School Nite. As usual, the Band, Drill Team, Pep Squads, and Flags put on an excellent show for the proud parents. Afterward, the gym was vacated for the classroom visitations.

This years Jr. Miss Pageant was swept by our Raider girls. 12 of 24 awards were given to the Islanders. Alma Pizarro won Physical Fitness and Jr. Miss for Pt. Hueneme. Alternates for Pt. Hueneme were Jennifer Domingo and Ilyn Ballesteros, Denise Reyes took Physical Fitness and 1st alternate for Camarillo. The prize for poise and appearance for Pt. Hueneme was won by Dena Echiverri Physical Fitness for Oxnard was awarded to Rachel Baroma

Air Show

On October 18th and 19th the U.S. Navy's demonstration squadron, the Blue Angels, performed. They celebrated their 40th anniversary at Naval Air Station Pt. Mugu. More than 200,000 people attended this event.

CI students participated by selling food, drinks, and other items to the spectators. Other CI students showed up just to have a great time and to enjoy the show.

Among the fads this year were New York Seltzer and Cherry Coke. Mathew Brodrick made us laugh in "Ferris Bueller's Day Off" and the girls fell in love with Tom Cruise in "Top Gun". Everyone was wearing sweaters and sweat shirts no matter what the weather. Reggae came out of the dark and was heard on all the beaches. On T.V. we all stayed home Thursday nights to watch Bill Cosby, Cheers, and Night Court. And all the guys hit the beach to "Surf Muqu".

WHAT DOES ASB DO?

ASB functions as a team to increase school spirit and pride. The ASB recognizes the student body's ideas and feedback. Along with the advisor, Mr. Parizo, there are many students who help with all student body functions. Some of the activities include spirit weeks, such as: 50's, Hawaiian, and Academic. They also work Football and Basketball Homecoming rallies. ASB is not only made to benefit the members, but to benefit all students as well.

Homecoming

Channel Islands Gives Its Regards To Broadway.

The balcony seats are full. The audience dressed to impress for a night on Broadway. Lights, Camera, Action! Let the 1987 Basketball Homecoming rally begin. Our "director" takes his seat to set the stage for our honored guests, handsome King Ernie and his dashing homecoming court. Each gentleman proudly represents his cheering class while seated amidst creative homecoming floats. Although Vince Plymire, Senior Prince, was not present his fans cheered at his slide presentation. Black and silver balloons, streamers, top hats and blinking lights were part of the festivities.

Auditions then began to the delight of faculty, alumni and students. An array of top performances were CI's flags, dance and military squads, cheerleaders, as well as "second string" comedy productions. The live version of *Lean on Me* contributed to the uniqueness and fun of Channel Islands Homecoming 1987.

Athle

twice

Many new school records were set by the 1986 Raider Varsity football team. Most yardage for a single game was 525 yards vs. Camarillo. This broke the previous record of 490 yards against Oxnard in 1979. The most total offensive for a season was 4037 yards. This was an average of 367 yards per game. This broke the previous record of 325 yards per game set by the 1984 varsity football team. The most passing yardage for the season was 1140 yards. This new record broke the previous record of 860 yards held by the 1977

varsity football team. A new record was also set when the team scored 41 points in a half against Royal. This record set during our homecoming was only four points short of the all time CIF record of 45 points scored in a half. Not only did the team set new records, but the defense allowed 121 points for 10 regular season games. This ranks 4th on the all-time Raider list. The record is 36 points for 10 games which was set by the 1983 Varsity football team.

TEAM IMPROVES

The girls tennis team made great improvements over the course of the season. Coach Moranda was very pleased with the effort put forth and the courage his young players showed against older, stronger players in the tough Marmonte League. With seven Freshmen earning a Varsity letter the team looks forward to getting stronger every year. Two of the stronger Sophomores, Celina Gorre and Jeanette Lim, will add leadership in the coming years.

Returning lettermen, Tony Carino, Leo Creger, Steve LaForteza, Albert Sicam, and Greg Welch are expected to form the heart of this year's varsity team. The list of varsity players may change greatly by the end of the year as there are many young players who are very close to breaking the line up. Albert Sicam, and Greg Welch dominated the courts. After these two, there are ten or twelve players, who are of varsity caliber. For example, Marvin Quitoles, who just finished a great basketball season, is expected to play Varsity Tennis within the first few weeks of the season. The team began the

season with a crushing win over Santa Paula (15-3). The team then smashed Hueneme with a devastating victory of 16-2. Our impressive victories came with the excellent coaching of Paul Moranda. Coach Moranda has the most coaching experience in the league. Due to his eternal devotion, he has made his players into the best tennis players in Channel Islands history.

Tennis Stars

Eight players make up the four doubles teams in JV tennis competition at CI. We had 45 people come out for tennis this year, 18 of which were cut. The level of play among the 18 JV players is very consistent. Some of them may finish with the Varsity squad. We have a strong group of Juniors and Sophomores, as well as four or five very strong Frosh who represent the future of CI tennis.

The Varsity Season began with a second place in the Nordhoff Tournament and achieving consolation champion in the Dos Pueblos Tournament. With those being accomplished, sights were set on making the CIF playoffs.

With the first half of the league concluded, the team was 2-4 with wins over Camarillo and Newbury Park. The second half of the league was a complete turnabout. With the exception of Simi Valley, CI came to a 5-1 record. One exciting win was over Westlake, which was the Homecoming game. At the end, CI was 7-5, leaving us 1 game away from a playoff position.

Nancy Tauau was one of the great starters who played for Channel Islands. She was a team necessity, who scored the vital points. Lucy Aldana, a hard worker, who enjoys playing basketball anytime she can. She was a great contribution to the team.

When coach Ryle could not be there, Brian Lehnhardt was the man to follow. An excellent announcer and scorekeeper, Brian has been an all-around valuable manager.

Taking on just as much responsibility was manager Monica Pagel. She did all the "grunt-work" for the Lady Raiders and provided that spiritual lift when needed.

From the Seniors.

To the future Lady Raiders
Well, this is it for us. We're finally graduating, and we'll be leaving all of you. We hope we have contributed a lot to the start of the dream of making it to CIF. Now it's all up to you to make "our" dream come true. Always strive for the best, and take NO LESS! We love you all, and will never forget you!!

Coach Ryle's comments:

My feelings on this year were positive. We have three Seniors on this team: Yvette Ortega, Claire Kohatsu, and Nancy Tauau. I feel that their contributions helped our Basketball Program immensely. I am very proud of the members of the Lady Raiders '87, including manager, Brian Lehnhardt. I feel that next year, we will have to play much smarter, and with more intensity. We will be young, but talented. The Lady Raiders will feature a super ball player, #13, Josie Vasquez, in the '87-'88 season. We will be looking to her to lead the talented players which surround her. We should have a good season.

CLUB PURPOSE: 'TO SAVE LIVES'

Because of the nature of the club, SADD decided to make all people associated with Channel Islands "honorary members", from freshmen students to the highest administrators. Participation is voluntary. But in a sense, if you don't "drive drunk" you are promoting the ideas and contributing to their efforts.

The club's purpose is promoting the abilities of CI's persistent persons. "We want to prepare for the future education of our members by taking trips to museums, colleges, universities, archaeological sites, and hopefully to the pyramids of Egypt. Also, our number one goal is to have a meeting where all members show up." Breaking the "DULL BARRIER" is our secondary goal.

SERVICE CLUB

The Channel Islands Key Club, sponsored by the Southern Oxnard chapter of Kiwanis, is a service club with the intention to make themselves available to the service of the community. Their motto is "Caring Our Way of Life." It's demonstrated by helping public services, including the Children's Center, convalescent hospitals and schools for the mentally and physically handicapped. For the past two years the Key Club has assisted in The Oxnard Regatta, or ROW 87' as dock hands. They have participated in the Strawberry Festival as well as our own school activities

Veronica writing club's ideas

Mecha's main purpose is to promote unity among Latino and Hispanic students. The club preserves the Hispanic culture which is open to everybody. It also promotes participation and involvement in school and community activities.

The club participates in the Mardi Gras as well as in the Spring Fiesta. By raising money through various fund raisers, it collects money to award a scholarship to one of its deserving members.

Yearbook Staff Steals Away . . .

The Raider Yearbook Staff steals away for a class period to have their picture taken at the Port Hueneme Beach. The entire class piled into four cars and were well on their way to having a great time at the beach. Who's to say that a group of high school students during school hours, would go unnoticed by the Oxnard Police Department? The drivers were pulled over and questioned. Advisor Mrs. Kern came to the rescue and freed them all.

MESA

The Mathematics, Engineering, Science Achievement, or MESA program was designed by concerned professors at U.C. Berkeley. The program was originally led by Professor Wilbur Somerton and the Equal Opportunity Program Director, William Somerville in 1968. It was developed to work with high school students who were interested in careers that required at least one year of mathematics, as well as a yearly study regimen of college-preparatory mathematics and english. MESA supports its students through tutoring and incentive awards which encourage the MESA student towards outstanding academic achievement. Funding for the program comes from various sources, such as private foundations, industries, and the universities that sponsor MESA centers.

Channel Islands High School is a school of intense pride combined with a rich tradition of student success. Channel Islands is known throughout the area for its outstanding accomplishments in academics, athletics, activities, its innovative and creative personnel, and its outstanding young people.

Our marching band, for the first time in the history of the district, won the Sweepstakes Trophy at the Ventura County Fair this year. We continue to be proud of our excellent teaching staff and the many achievements of our students.

All of us at Channel Islands High School wish to extend our best wishes to the graduating seniors. I urge all of you to continue to set strong individual goals and work hard to achieve them. We sincerely hope that your experiences have been positive. All of us from Channel Islands wish for you the very best.

Para-Professionals At Work

Ann Ricards

Our Librarian provides books to supplement classroom instruction. Books for enjoyment and books to expand and develop interests are available. Magazines and other materials are available for individual student needs. Ann supervises the library use and maintains a comfortable study atmosphere. She works with teachers, as well, to support their research projects.

Yolanda Capilla

Under immediate supervision of the librarian, Yolanda performs specialized functions in conjunction with the acquisition, receipt, circulation, instructional material and the use of all library books. She also keeps records of periodicals, library inventory and the budget. On top of that, she assumes all clerical duties associated with the operation of the library.

Elaine Miller

Elaine provides textbooks as indicated by student enrollment. She maintains textbook inventory and distributes textbook checks twice a year. Besides billing students for damaged or lost books, she also assists with the audio-visual equipment.

Sylvia River

Instructional aide in the computer lab. Instructs math and english students in computer operation, word processing, basic programming and software use.

Ardith Smith

Para-Professionals At Work

Trevor River

To assist teachers in instructing the students. This includes one-on-one tutoring, working with his own group of students on papers (few if any), and keeping the teachers sane.

Patrisha Acevedo

Para professional teaching assistant in the special education department. Assists in instruction testing, and day-to-day activities.

Debra Lozano

Teachers assistant in special education. As a tutor, I have had an opportunity to work in many different subjects (including my favorite subjects, P.E. and art). I act as a mediator between department teachers and student teachers. I love my work and intend to pursue teaching as a career.

Rita Whitehead

Para-professional helping with special education in mainstream classes.

Cecilia Tamayo

Question: How would you improve

Zeke Jaquez: I would put a net over the quad area to keep the seagulls out, and offer a field trip for the best class.

Dennis Lang: Have students wear uniforms and teachers wear shorts and t-shirts.

Jim Escareno: I would like to invent a machine that would make trash disappear along with the person who threw the trash on the ground.

Fred Luna: I would like to see our students getting

Question: What is your favorite joke?

Richard Serros: Mr. Luna!!

Sheila Taylor: My favorite jokes are the excuses the students use for not doing their homework.

Rob Rada: Fred Luna and his lunchtime faculty gang.

Ben McNary: My favorite joke is this school.

Jeanne Goff: My favorite joke is a pie in your face!!

Zeke Jaquez: I like Rodney Dangerfield's humor of "I get no respect".

Lon Avants: All the extra paperwork we are expected to do and still find time to teach.

TEACHER SURVEY

this school in some crazy way?

paid for the attendance of each class period.

Jim Murray: I would like to wave my magic wand so that all teenagers would see that they are laying out the groundwork for the rest of their lives and hopefully they would act accordingly.

Richard Serros: I would like to have Mr. John "the leg" Legeman as the principal

Phyllis Harsma: I would like to put several modern art sculptures between the buildings on the grass

Question: What facts of today's teens do you find interesting?

Lon Avants is intrigued by the purple, green and red hair. While Dennis Lang finds flat top hair cuts and bermuda shorts a reminder of his past. Steve Davis finds the amount of money that today's kids are willing to spend on looking weird is mind boggling. Dave Cucci wonders why girls have stopped wearing long pants and instead wear skirts as Jeanne Goff is astounded by rapping. Jim Escareno wishes he could have the variety of dress that the kids now a days have. English teacher Karen Fischer, learns a few new words from her students such as, "Fresh" and "Smooth". Tim Murray finds it interesting that kids don't care about matching clothes.

IN MEMORY OF **SERVONDO TORRES III** AUGUST 3, 1969-JUNE 11, 1986

Servondo Torres was involved with a lot of school activities such as Deca treasurer, frosh, football, and sophomore prince for 1983. He also helped his girlfriend, Perla Ruiz in A.S.B. He liked to do things on the side such as play baseball and umpire with his friends at Ocean View.

Servondo was a caring and helpful person. He loved to make people smile and to help his friends whenever they came to him with a problem. He always talked about his future and where his favorite place was. He wanted to travel Europe and settle in Frankfurt Germany. He loved to watch Ninja movies, eat chinese food and collect swords. Servondo was a true friend and a very caring person. We'll never forget him and all he has done for us. Thank you Bando and we all love you.

Perla, Eddie, Darrell, Rubin,
Albert, and Richard

Two Teams Make History At C.I. Academic Decathlon

The Academic Decathlon Team, coached by Mr. Hayashi, set two goals for itself: to break into the top ten in the county, and to take first place in the District. Out of 19 teams, the Raiders placed 7th and came within 800 points (out of 60,000) of beating Oxnard High, who finished 6th. This year's team placed higher than any other previous CI team, and scored more points than ever scored before. An entirely Senior team, the Honors team's members were Mike Nagatoshi and James Macaranas. The Scholastic team's members were Yun Seob Song and Blenda Tagata, and the Varsity team's members were Jeffrey Gambon and Alvin Ramos.

Prosecutor James Macaranas makes a point

For the first time in CI's history, the Mock Trial Team, advised by Mr. Gose, went to the county trials, all of which the Raiders won. Every School in the county fell to the Raiders culminating with the finals against Thousand Oaks. The Raiders lost by only a few points but finished second overall in the county. On the Prosecution team were attorneys Mike Nagatoshi, Blenda Tagata, and James Macaranas. Defense attorneys were Andrea Nulf, Greg Welch, and Theresa Macaraeg. The witnesses were Ilyn Ballesteros, Johnny Gossett, Rich Estepa, John Santos, Scott Pedersen, and Mike Nagatoshi, serving a dual role. Jennifer Domingo and Lori Lamar were Clerk and Bailiff, and the team was coached by Mr. Gene West.

UNUSUAL SPORTS

NO ONE EVER
HEARS OF

Bowling is an unusual sport at CI because the students who bowl are never heard about. Yet these bowlers do represent CI at their best. They bowl at Tournament Bowl against other high school teams. Our CI bowling team, Richard, Robert, and Ritchie keep the spirit going and hope that this will encourage others to bowl in the future for CI.

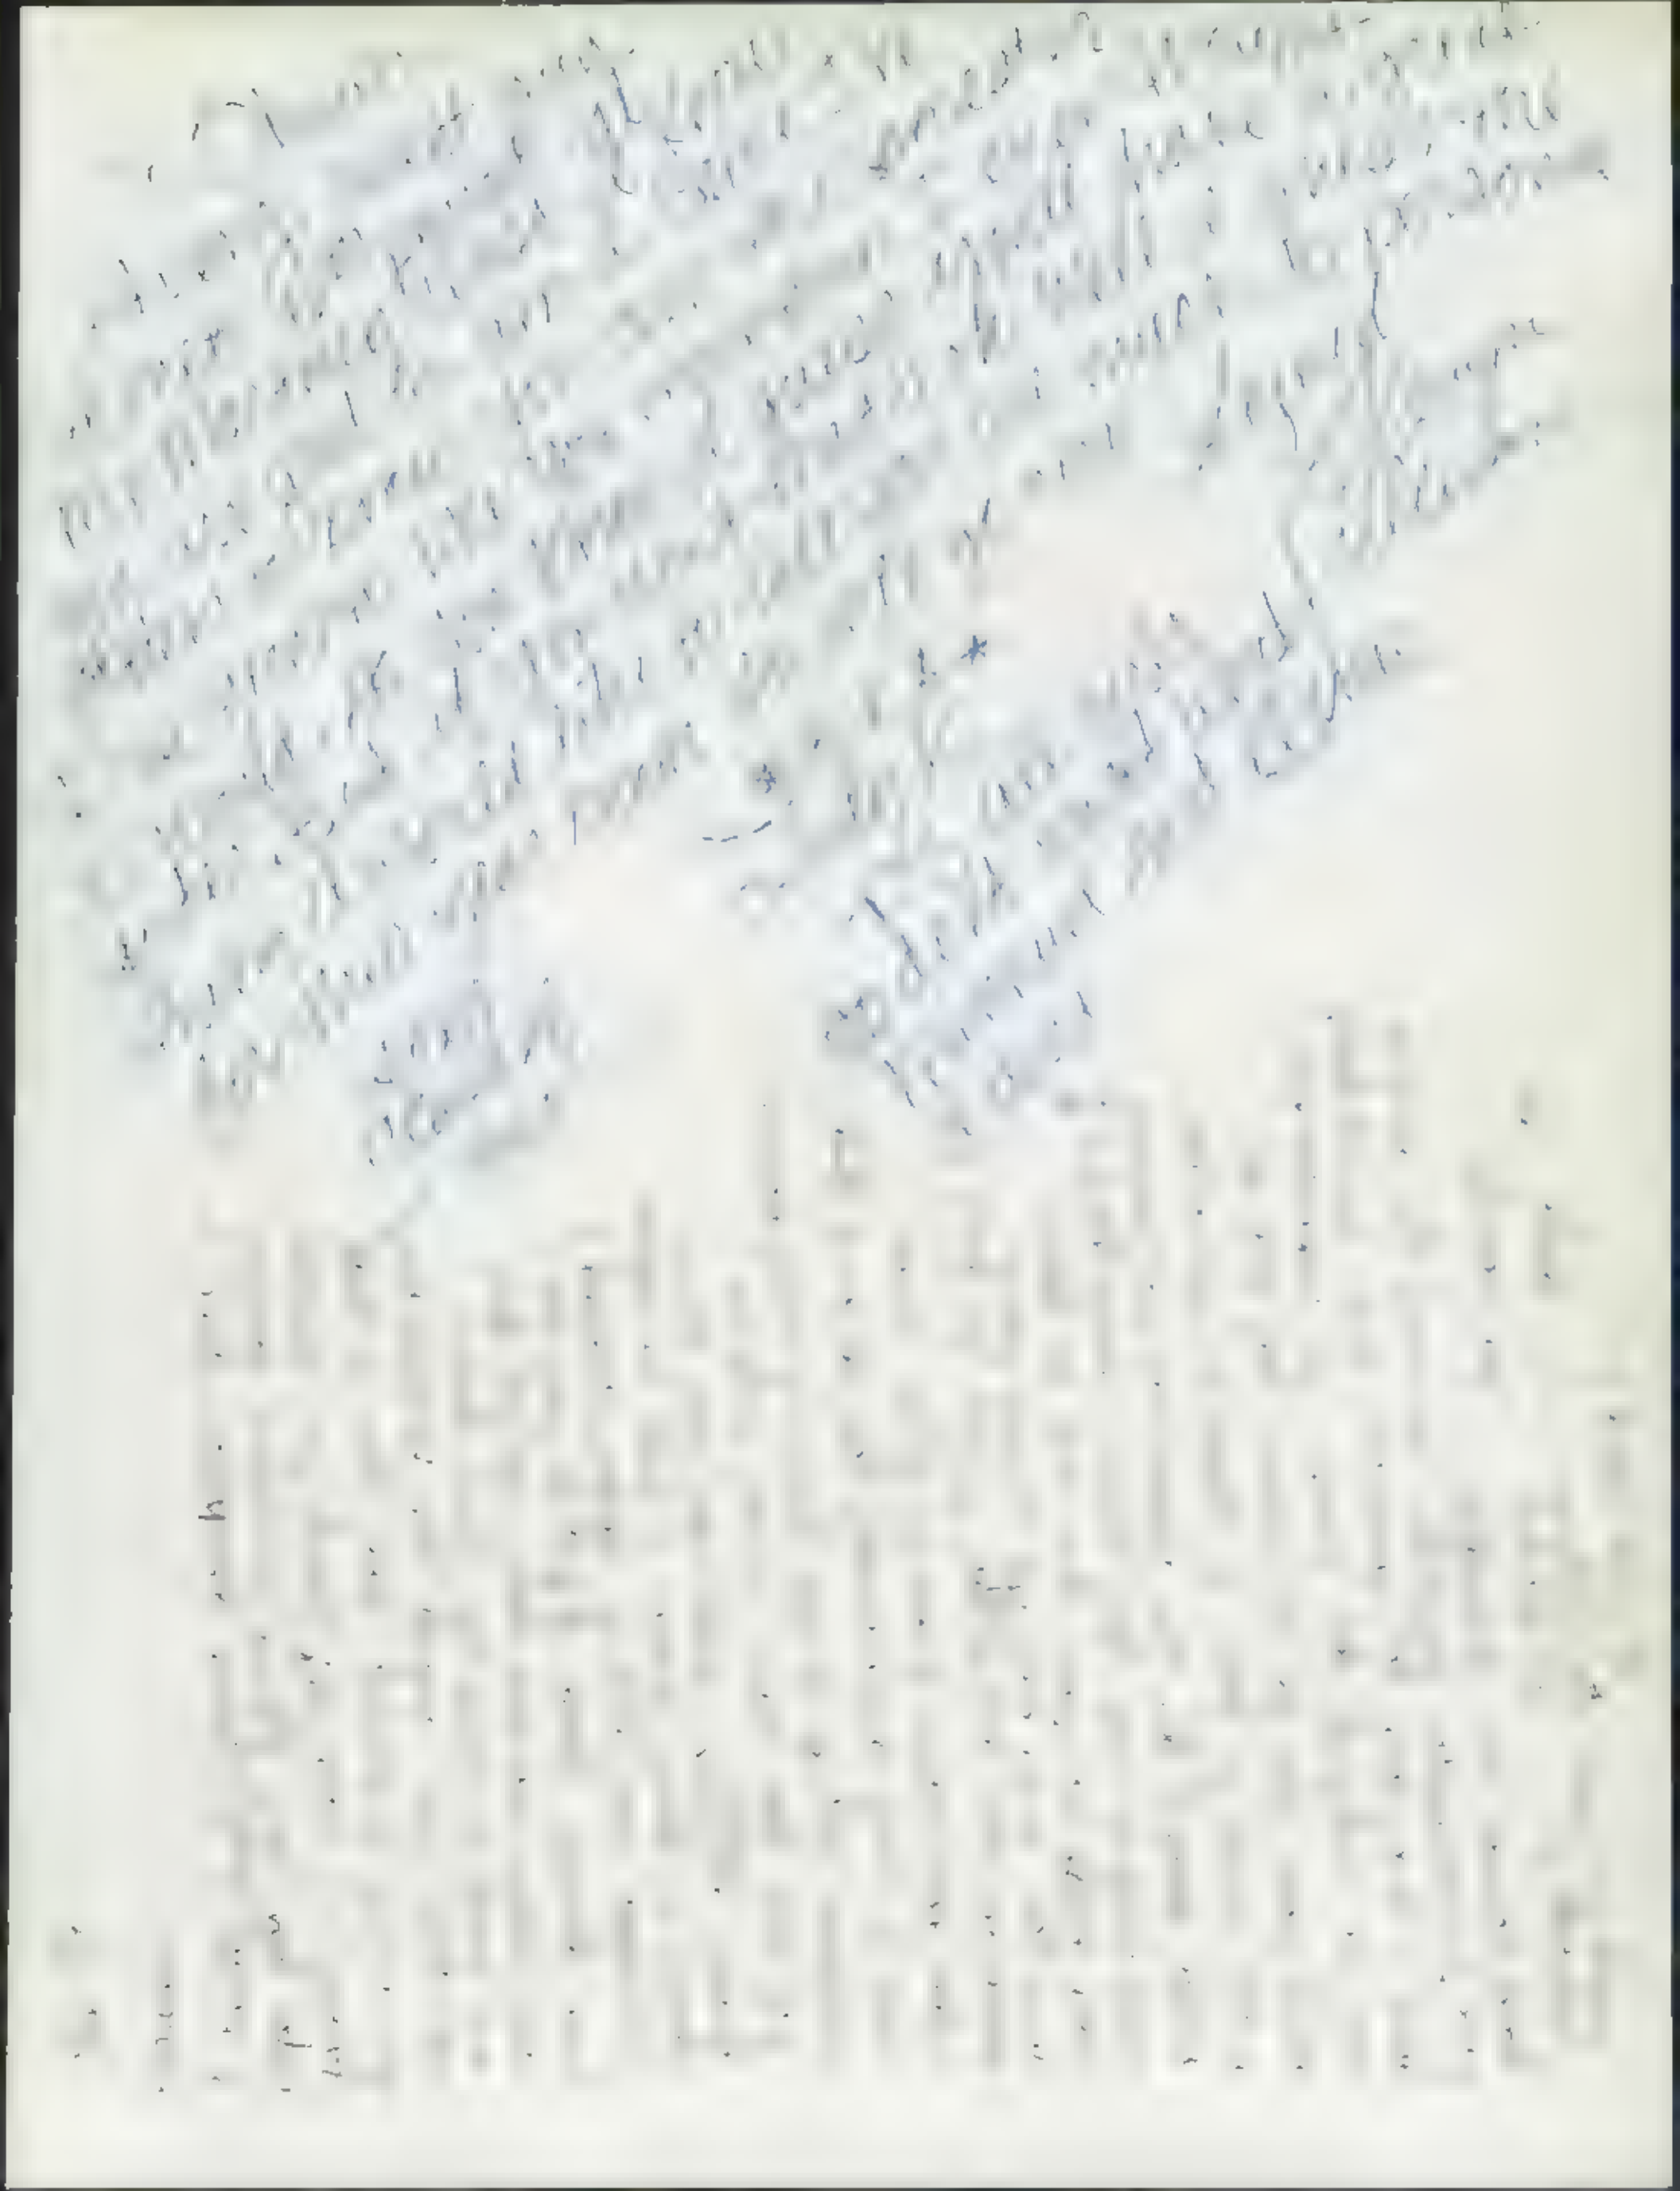

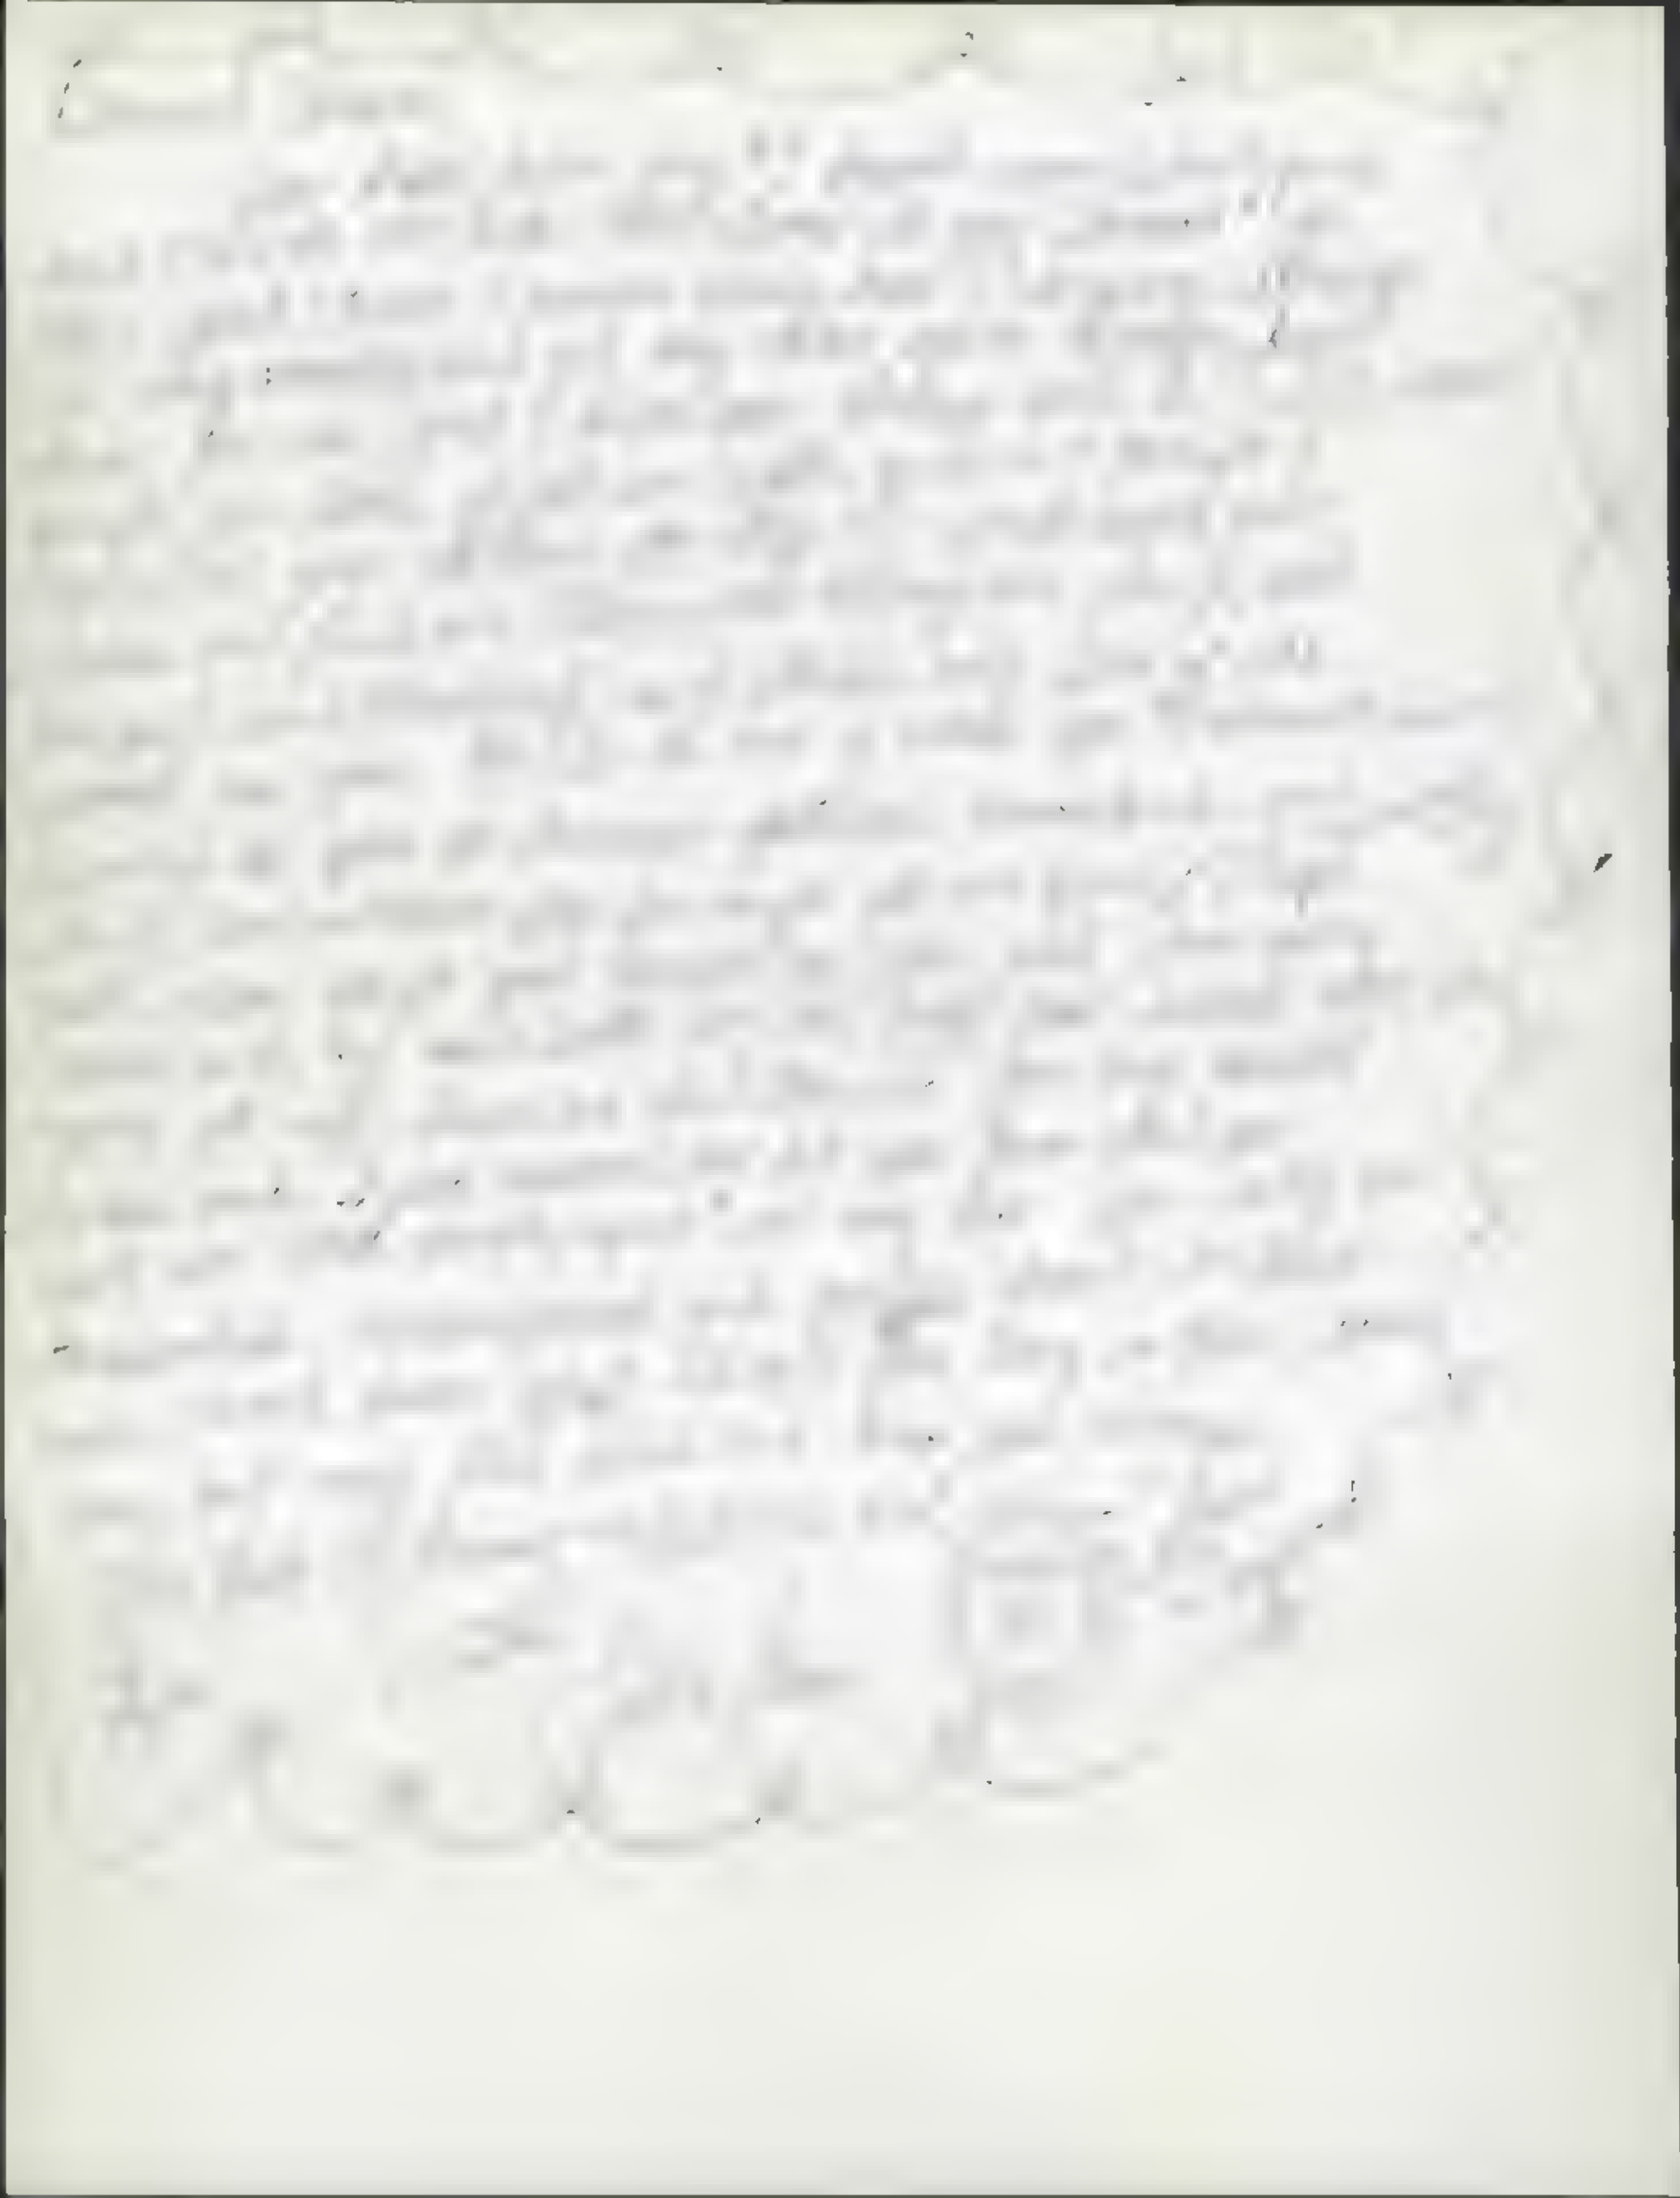

Swimming, another unusual sport, is represented at CI by Mike Nagatoshir. Mike has been swimming for CI for a couple of years. He practices and trains at Hueneme High. He has competed in many swim meets against other schools. He is currently training for the Jr. Olympics and hopes that this will encourage other Raiders to swim for CI.

Handwritten text in a cursive script, written in dark ink. The text is arranged in several lines, with some words appearing to be underlined or written in a slightly larger hand. The overall appearance is that of a personal letter or a manuscript page. The text is mostly illegible due to the extreme blurring of the image.

Handwritten text in the middle right section of the page, possibly a signature or a date. It is written in a cursive script and is mostly illegible due to blurring.

Handwritten text in the bottom right corner of the page, possibly a signature or a date. It is written in a cursive script and is mostly illegible due to blurring.

hey Shawn!!

and my little son maddy, the
you a dreamer, you get
the 5000 games I can believe
what you did last weekend!!!
thought highly of you until
then!! I know. No big deal for
I guess not. Anyway, you
are going to be a little something
around. I'll be around you
after 99 and 1000 days on the 11

It helps to be great knowing you I know your saying it not

like your going away But that's what your books are all about. I don't think Julie's gonna bother you anymore.

Now I know your dressing showing those pearly grays. not really yes Tonya Holman is my sister I know we don't love Julie. And probably if you asked her she'd say no.

but she's only kidding. Well I hope to see you next year and in the future

Good luck in FOOTBALL

To: Shawn,

Well dude, this year is coming to an
end and it was okay "Right" you
surely got off this year cuz you
were on football, basketball & track.
You are surely a great athlete.
Maybe when we're grown up and all
I'll be watching you play on
t.v. you will have a mansion
and all kinds of great cars.
Thanks -4- talking with me about sports,
but our friendship is more than that,
you know, we've known each other
since 3rd grad. and in between we
sure had lot of great moments.
-Shamke- Don't change the way you are!
